HOW TO PLAY

Cash & Cars Progressive Roulette

TSOGO SUN

WELCOME

TO THE WORLD OF TSOGO SUN CASINOS

In this guide, we will explain the basic rules of Cash & Cars Roulette, the new and exciting progressive side bet for American Roulette Players. However, should you require any more information or have any questions, our friendly Casino Staff are always on hand to help you and give you advice.

ENJOY THE GAME AND HAVE FUN!

THE GAME

Cash & Cars Roulette is an exciting new game joining the family of progressive jackpot side bets.

Cash & Cars is available on selected American Roulette Tables, which are identified by the Flashing Progressive betting pads and Vibrant layouts and a Cash & Cars progressive display.

Playing **Cash & Cars Roulette** is easy. You simply place your bet on the same colour Progressive Pad as the colour chips you are playing before the Dealer spins the Ball.

HOW IT WORKS

The Dealer will announce Place your bets. At this time you can place your bet on your flashing Progressive Pad. The Dealer will announce no more Progressive Bets and “Lock out” the system. The betting pads will stop flashing and will remain illuminated.

HOW TO WIN

There are four ways of winning.

After the progressive bets have been “locked out” by the Dealer, your colour will be allocated a random number between 0 and 36 on the progressive Cash & Cars LED screen.

This screen will display the live Table Wheel together with the two Bonus Wheels with numbers 0 to 36, the same as on the live Roulette Wheel.

WINNING COMBINATIONS

Winning the Cash & Car requires that after placing a bet on Cash & Cars, the live Table Wheel winning number and the two Bonus Wheels numbers on the screen ALL match the Personal Lucky Number randomly allocated to your colour. Simplistically all 4 numbers are the same.

If you win the car, everyone who placed a Progressive Bet on that spin will also win a share of a cash pot displayed on the screen.

7-7-7's Community Progressive Jackpot, if the Table Wheel and the two Bonus Wheels are all 7's, the displayed value is shared equally with all Players who placed a Progressive Bet on that spin.

Roulette Mystery. This is a mystery progressive linked to all the **Cash & Cars Roulette Tables**, which has a start out and a maximum value with a win guaranteed between the two values.

Floor Wide Mystery. Like the Roulette Mystery this is linked to Roulette and other Progressive Tables within the Casino. This has a start out and a maximum value with a win guaranteed between the two values.

It is as easy as that, for a relatively small wager on the Progressive betting pad you could win either **Cash, or the Car, or Both!**

Bonus Bet – Pays 1200 to 1

There is a separate betting area adjacent to the Progressive pad which you can also bet on if you have placed a bet on the Progressive Pad. Here you are betting that all Three Wheels, the Table Wheel and the two Bonus Wheels will all display the same three identical numbers.

Cash & Cars Progressive Roulette brings even more ways of winning to the exciting game of American Roulette. And is exclusive to TsoGo Sun!
