### RESPONSIBLE OCEAN CITIZENS

We work alongside WWF-SASSI to embed seafood sustainability in our business and support responsibly managed fisheries and farms.

**Disclaimers: Images are for illustration purposes only.** The appearance of actual food may vary due to the nature of our product and processes. Seafood is a live product, each one is unique. The number of pieces may vary. All weights indicated are approximate weights and based on the raw weight, prior to cooking. All changes are managed by food safety regulations. We try to remove all bones from fish, but small ones may remain. Vegetables and fruit are based on seasonality and availability. Ingredients from our kitchens and manufacturing plants may contain or come into contact with allergens. Please tell your host if you have any allergies. While we try our best to minimise cross-contamination, we cannot guarantee this. Our seafood is drizzled with our famous creamy lemon sauce, should you prefer your meal without it or if you have a food allergy or intolerance, please tell your waiter before you order.
